Yabancı dil derslerinde yabancı dili etkin kullanıma yönelik afiş hazırlanması.

Yabancı dil öğrenirken en önemli şartlardan biri çevrede o dile maruz kalmaktır. Öğrenciler de okulda o dil ile ilgili malzemeleri ne kadar fazla görürlerse o kadar aşına olacak, süreçleri de o kadar hızlı ilerleyecektir. Bunlardan dolayı, yabancı dil ve ağırlıklı olarak İngilizce öğrenme ve öğretme ile ilgili görsellerin ve bilgilerin bulunduğu posterler, okulumuz İngilizce öğretmenleri desteğiyle düzenlenip okulun görünen yerlerine asılmıştır. Bu posterlerde, kelime öğrenme yöntemlerine, fonetik alfabeyle, günlük konuşmalara, sınıf konuşmalarına, temel dilbilgisi yapılarına, belirli teleffuz kurallarına ve dil öğrenme tavsiyelerine yer verilmiştir. Böylelikle de okul ortamında öğrencilerin yabancı dil ile karşılaşma süreçlerine destek olunmuş ve öğrenciler, yeni yabancı dil veya dilleri öğrenmeye teşvik edilmiştir.

HOW TO IMPROVE YOUR VOCABULARY

LEARN NEW WORDS IN CONTEXT
Don't study word lists. Instead, while reading, try to guess the meaning of the vocabulary rather than using your dictionary all the time. Practice doing this in class, and check, if you're correct with your teacher. Try our vocabulary systems here: www.tefllessons.com/learn-the-english-vocabulary/

READ, READ, READ!
Challenge yourself to read for at least 10 minutes every day. It's important to choose something you enjoy, but it's also a good idea to read a variety of different books. Reading while listening to the audio version will also improve your pronunciation and listening skills.

USE A VOCABULARY NOTEBOOK
Record new words in a vocabulary notebook as you learn them. You could include the meaning, incorrect sentences, different uses, pronunciation, your own examples of using, and anything else you think would help you to remember. You could also include a translation here: www.tefllessons.com/learn-the-english-vocabulary/

USE SYNONYMS
Use a thesaurus to find synonyms for words you already know and use frequently. Practice using the new vocabulary in class as this will help the opportunity to correct any errors, and ensure you can use it in the correct context.

MAKE A VOCABULARY BOX
Write new words on a piece of paper and put them into a small envelope. Put the envelope into a box with other envelopes. For example, you could choose five envelopes from the box and create sentences, act them out, explain the meaning, or play a check for and guess game. You can find templates here: www.tefllessons.com/learn-the-english-vocabulary/

USE IT OR LOSE IT!
In order to remember new vocabulary you need to use it in conversation or your writing. It is often best to use it in a short 7 days before you forget it. Challenge yourself to use new vocabulary while you eat and drink. Try our speaking lessons here: www.tefllessons.com/learn-the-english-vocabulary/
